

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

I believe that just about everyone that saw the Pipers play Stamford Friday night was very proud of those youngsters. If you did not see the game you may wonder how you can be proud of a team that got beat 35-6, but those that saw it know that it was a much better game than the score indicated.

It was not until the final period that the Stamford fans could relax because the Pipers were still in the contest until then. I don't think there was any question but that the youngsters played their finest game of the season, it was just unfortunate that they were playing one of the better teams on their schedule.

Stamford fielded a team with 11 seniors and 12 juniors on it as compared to Hamlin's seven seniors and six juniors and had four or five of the fastest boys in the district playing for them.

I cannot help but feel a great deal of pride in these youngsters of ours. Sure they are still looking for their first win and are looking at a very long losing streak but you have to admire their courage and pride. I don't know how many of us adults could face all of those losses and still come back up and play this way.

I was also very proud of our fans who have done a fine job of backing these youngsters all year long.

Let's all go to Merkel Saturday evening and help the Pipers spoil Merkel's homecoming.

The biggest problem in our system of government seems to be waste. Every time the government sets out to solve a problem it seems to spend more money setting up the machinery than it does attacking the problem. Everyone seems to recognize this problem but nobody seems to be able to find the answer.

An example of this is our welfare mess.

Abraham Ribicoff, former Health, Education and Welfare Secretary and now Senator, has used an interesting analogy to emphasize this waste.

He observes that some \$31 billion will be spent this year, at all levels of government, on poverty programs. "And yet," he adds, "it is questionable whether any of those programs have removed a single person from poverty."

"It might be intriguing for senators to contemplate that, if we eliminated all these programs and bureaucracies, and divided that \$31 billion among the people who are under the poverty line, every family of four would receive a total of \$4,800, almost \$1,000 over the poverty line."

But what really bothers you is that everyone recognizes this problem in all areas of our government but yet no one seems to be able to turn it around. Instead of getting better it just seems to get worse.

One can only wonder if our system of government can continue to work now that politicians have learned that they can buy votes with tax monies. It appears questionable if we as a nation have the moral fibre to make self government work.

I have always maintained that the single most damaging act of Congress that will ultimately lead this nation to ruin was the passing of the act that makes it possible for the government to collect income taxes from the individual by the withholding tax methods.

If every tax payer had to dig up this money in April every year I doubt very seriously if he would permit his representatives to spend it so freely. It might be that we would not have progressed as far as we have without the withholding tax but I'll bet one thing for sure — we would be a lot more concerned about how this money was spent if we had to take it out of savings or go to the bank and borrow it.

Jones County Cotton Men Organize to Fight Weevils

By STEVE MUNDAY
Reporter-News Farm Editor

ANSON — Jones County cotton producers and gin managers took steps Tuesday afternoon to protect themselves from future financial disasters brought on by the boll weevil.

The group of about 40 farmers and gin managers, who organized themselves as the Jones County Boll Weevil Diapause Control Assn. in their first meeting Nov. 2, requested charter from the state.

The authorization is expected from Austin in a few days, Assistant Secretary-Treasurer Herman Reeves of Anson said.

Jones County cotton producers, as a whole, have been hard-hit by an almost unprecedented level of boll weevil infestations brought on by the recent heavy rainfall, said County Agent Kirby Clayton. Cotton estimates for the county's crop have been drastically cut back in the wake of the county-wide destruction.

Facing projections of an almost non-existent cotton crop, the producers and gin managers were understandably ready to "get down to brass tacks" Tuesday.

Reeves said, "The general feeling among us is that if we are going to produce cotton economically in Jones County, we must take effective boll weevil measures."

As an organized body, they hope to accomplish through unity what the individual could

not afford or attempt in the fight against the cotton insect.

The first major step toward that end was the group's approval of an aerial spraying program in cooperation with the entomologists of the Texas Department of Agriculture and the Extension service.

The first phase of the spraying will begin in September, 1972, and will be on a contract basis, Reeves said.

Reeves also noted that the state has a matching fund participation program for counties with a "high crop mortality" and that the Jones County farmers hope that the state will appropriate funds to them during the next called session.

"The only way we can get it (funds) is through an organization such as ours," Reeves said.

In other organizational business, the members voted to assess an initial membership fee of \$10 annually. A membership drive is now under way and should be completed at the end of this ginning season. Gin managers were named receiving agents for the dues.

Fifteen gin managers and their two nominees from their communities were approved as permanent members of the association's board of directors.

Additionally, the gin managers will serve on the executive committee with the

three elected officials for one year.

The three elected officers of the Jones Co. organization are Stuart Propst of Anson, president; Bill De Busk of Tuxedo, vice president, and Reeves.

Propst appointed a by-laws committee to work on the charter when it arrives from Austin. Committeemen are G. W. Drummond and H. L. Ford, both of Hamlin, Charles Stenholm and Carl Bearden, both of Stamford; F. A. Lollar and Larry Holms, both of Anson.

Another county-wide meeting will be announced at a later date, Propst said.

Stamford to Host Area Cotton Farmers Tuesday

There will be a meeting of interest to all area cotton farmers in Stamford, Texas, Tuesday night, November 16, 1971, at the High School Auditorium, beginning at 7:00 P. M.

The meeting is being sponsored by the Stamford Area Agricultural Association. Its purpose, according to Charles Stenholm, Chairman, will be to discuss cotton marketing in 1971, the new law concerning trailer lighting and braking requirements, and the boll weevil Diapause Control Program.

Funeral Services Held Friday for Cecil W. King

Funeral services for Cecil W. King of Laredo were held here Friday at 10:30 a.m. at First United Methodist Church.

Mr. King, a native of Hamlin, died at 10:45 p.m. Nov. 2 at Mercy Hospital in Laredo. He was a retired civil service employee and farmer. He had lived in Laredo since 1935.

Born here Dec. 6, 1902, he was the son of the late Mr. and Mrs. James S. King.

He married Woodley Smith at Laredo July 3, 1924. He was a member of the Methodist Church.

Survivors include his wife of Laredo; two nephews, Col. Lawrence King Jr. of Albuquerque, N. M., John J. King of Glendora, Calif., and one granddaughter, Elizabeth Ann King of Laredo.

Services were conducted by Rev. Johnnie Williams, pastor. Burial was in Neinda Cemetery.

Pallbearers were Bryant Conner, J. C. Turner, W. T. Johnson, Arnold Johnson, Rudy Hamric and Ray Huling.

Pipers to End Season Saturday At Merkel

Seven Hamlin Seniors will be playing their final game for the Pied Pipers Saturday evening when the Pipers take on the Merkel Badgers in Badger Stadium. The game will be homecoming for the Merkel Exes.

Playing their last football game for the green and white will be Steve Baker, 130-pound halfback; Barry McDonald, 190-pound fullback; Dwayne Hertel, 158-pound center; Fernando Rangel, 165-pound guard; Mike Donham, 177-pound tackle; Rick Rodgers, 151-pound end; and James Mayes 160-pound end.

Last week while Hamlin was being defeated by Stamford, 35-6, the Badgers were being defeated, 38-3, by Anson. In

other 7-AA action Haskell defeated Rotan, 39-0.

Junior Varsity To End Season At Anson Tonight

The Hamlin Junior Varsity will be trying to maintain a perfect record when they travel to Anson tonight (Thursday) to meet the Anson JV's. Last Thursday the local JV's defeated the Stamford JV's 32-6.

A halfback pass from Willie Hooper to split end Bill Cork was good for 53 yards and the first Hamlin score. A pass from Hooper to End Gary Hertel added the two points. In the second period Hooper scored from 22 yards out and Alfred McAfee added six more points before the half ended on an eight-yard carry.

Bill Cork scored twice in the second half with the first coming on an eight-yard run and the second coming on a pass interception from 30 yards out.

Stamford picked up their lone score in the final period to make the final score 32-6.

This Friday evening the Haskell Indians and the Stamford Bulldogs will be meeting in Stamford to decide the district title and Anson will play at Rotan.

The Merkel Badgers will be operating from the Wishbone formation with their best running back playing fullback. Running at this position will be Kerry Thames, a 195-pounder, who is a big strong runner. He missed most of the Anson game but is expected to play this week.

Steve Teaff, 170-pounder, will be at quarterback and does a good job on the option pitch but is rated a weak passer. The two halfbacks will be Jerry Holmes, 160 pounds, and Billy Diltz, 165 pounds.

At tight end will be Jerry Beaird, 165 pounds; at split end will be Larry Hewitt, 170 pounds; at tackles will be David Bratcher, 185 pounds and Ray Young, 180 pounds; at guards will be Greg Bullock, 185 pounds, and Danny Higgins, 180 pounds; and at center will be Gerry Williams, 165 pounds.

'Uncle Sam' Urges Youth To Thank Those Who Serve

"Uncle Sam" visited the three Hamlin Schools Wednesday and Thursday of last week and was featured in assembly programs in high school Thursday morning and in junior high Thursday afternoon.

"Uncle Sam," dressed in brilliant red, white and blue, was sponsored by the Stamford Rural Electric Coop. This important character, played by Lois Dunlap of Abilene, presented a talk on "I am Uncle Sam."

Until several months ago, he appeared in public in his spare time promoting patriotism. When requests increased he left his position with First State Bank of Abilene and devoted his time fully to the program he calls "Uncle Sam in Action." Headquarters are in Abilene.

During his message at junior high he told of an experience when a sergeant who had served in Korea and Viet Nam visited in his office. At the conclusion of the visit, he said, he told the sergeant that he appreciated all the things he

had done for our country and for me as a whole. The sergeant replied that I was the very first person to thank him for fighting in both wars. "We fail to thank those who have given so much for us," he added.

He cited that those in the audience should appreciate what the teachers, the service men, school board members, city council members, mayor, and all elected officials are doing for them by serving the community and the nation. He also urged communicating with these officials to let them know the wishes of the majority.

In speaking of the Viet Nam war he said, "It is my opinion we went to Viet Nam to help a people who could not help themselves, to fulfill a commitment with that country and to protect them from the acts of aggression." There have been many things in Viet Nam which have occurred with which I disagree; however, one thing with which I do agree is our system of government. It is second to none."

...PTA life member

Mrs. Connally Gets P-TA Life Membership Thursday

Mrs. Charles Connally, first grade teacher here for the past 13 years, was honored at the Thursday afternoon meeting of the Elementary Parent-Teachers Association with the Teacher's State Life Membership Award.

Presentation of the pin and certificate of honor was made by Mrs. Fred Smith, primary principal.

Mrs. Connally is the former Lucille Newsom, daughter of W. E. Newsom and the late Mrs. Newsom. She has lived most of her life in Hamlin and is a 1936 graduate of Hamlin High School. She received her B. S. degree from McMurry College, Abilene, in 1940.

Her husband is owner of Connally Ford Sales. They have three children, Mrs. James (Barbara) Woods Jr. of Eastland; Eddie Connally of Abilene and Gary Connally, a student in Baylor Law School in Waco. They have four grandchildren.

Mrs. Connally did substitute teaching prior to becoming a first grade teacher. She is a member of First United Methodist Church.

Bridge Winners

Mrs. Ray Sonnenburg and Mrs. Dale Lain were first place winners at the Tuesday evening meeting of Hamlin Duplicate Bridge Club.

Mrs. Holly Toler and Mrs. W. L. Hunter Jr. were second and Mrs. Gene Knabel and Preston Morrow of Rotan were third.

The club meets at 7 p.m. on Tuesdays in the Hamlin Jaycee Community Building.

Mrs. Joe Bonds, Mrs. Tommy Robertson and Mrs. Holman Jones attended the Cosmorama Beauty Show at Fairmont Hotel in Dallas Nov. 7 and 8. Seven guest artists gave latest trends of hair design and cutting and new products. The show was sponsored by E. A. Fretz Beauty Supply.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(November 9, 1928)

NEINDA NEWS

Everyone from this place has been enjoying this cool damp weather we have been having. But they welcome the sunshine again as every one is anxious to get their cotton out.

A large crowd attended church and Sunday School Sunday. There was also a large crowd attended the program which McCauley brought to the Methodist Church Sunday night.

Well, well, school has at last started for which we are very proud.

All but two are new teachers.

Remember folks there will be singing at the school building Sunday night. Everyone is invited to come and bring somebody with you.

A contest was sponsored by the Junior Class to see who would be elected queen of the carnival on Nov. 2. Miss Ruth Wilson was selected for the Senior Class Candidate. The Senior Class put this over big, as usual by electing Ruth by a large majority more than doubling her nearest opponent.

Tuesday night members of the Christian Church surprised their pastor, Rev. Montgomery by storming his home with all kinds of "pounds" eatables of every description. This was a real welcome for the new pastor and his children.

The Pupils of the Win One Class of the Methodist Sunday School met Saturday afternoon at three o'clock with their teacher, Mrs. Mayes at her home for study meeting, after which a number of games and contests were enjoyed by everyone. Everyone reported a splendid time.

TWENTY YEARS AGO
(November 9, 1951)

The Jacksonville Baptist College choir will render a musical program this (Friday) evening at 7:30 o'clock at Calvary Baptist Church.

The public is invited to attend and hear the program, according to members of the congregation.

The Hamlin Volunteer Fire Department was called Thursday afternoon to put out a grass fire in the north portion of the city near the water tower. No material damage was done.

Hamlin area folks with relatives and friends in service overseas are urged by Postmaster Perry Sparks to doing their Christmas mailing soon.

Sparks explains that the post office department will make every effort to have the packages delivered by Christmas day.

Most of Hamlin's business establishments will be closed for Armistice observance next Monday. This decision is a reversal of the general trend that was expressed last week in a quick check of representative firms by The Herald.

First meeting of the Jones County Teachers Association for the current school year will be held next Tuesday evening at 7:30 o'clock in the Hamlin High School cafeteria.

Date for the initial general gathering of Jones County teachers was set when members of the executive board of the association met recently in the grade school building in Anson.

Members of the Service Sunday School Class of the First Baptist Church were entertained in their regular monthly meeting Tuesday evening.

The program was on a radio program theme with Marguerite Richardson as announcer. Mrs. Earl Brown gave a talk on "Customs of Thanksgiving" and Mrs. Bob Nunley said "The Lord's Prayer." Mrs. Marvin Carlton was accompanist.

Topics for state programs for the club were reviewed by Mrs. Simmons and voted on by the club.

TEN YEARS AGO
(November 9, 1961)

The town as a whole will not observe November 11, Armistice Day, as a holiday. Most merchants will be open for a regular Saturday's business.

However the post office, bank and City offices will be closed. Also, the barber shops and the dry cleaners. Possible some others will close, but for the most part business will go on as usual.

Final plans have been made for the Annual Stonewall County Awards Banquet, November 13th in the Aspermont School Cafeteria, starting at 7:00 p.m.

Ninty-one County winners and parents are invited to this Banquet; along with some special guests.

Sharon Leverett of Old Glory has been chosen to be the Mistress of Ceremonies this year.

The Banquet is sponsored by the First National Bank, Ralph Riddel in charge.

The Hamlin Lions Club Annual Broom Sale was a big success again this year according to Ed Croan, president.

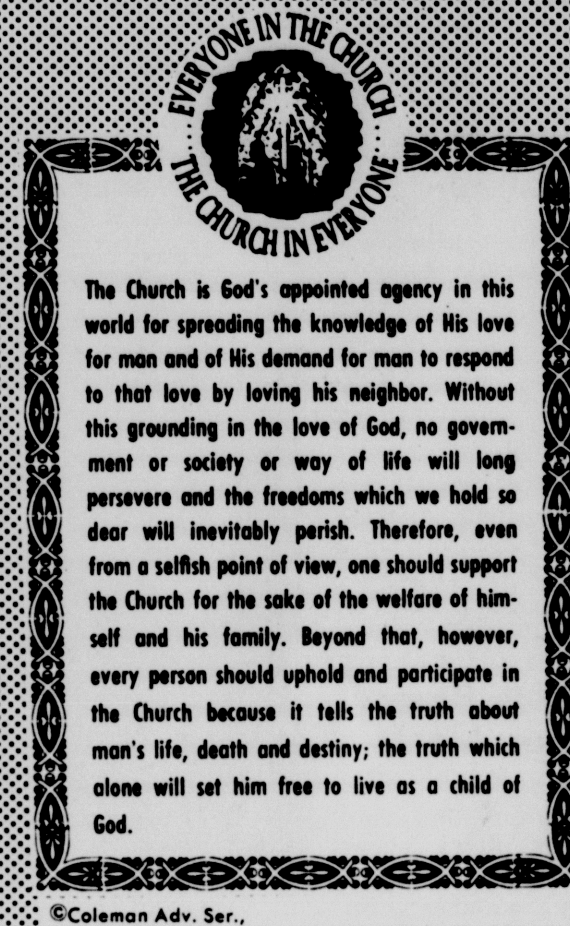

He reported the Lions sold \$937.35 worth of brooms and other goods made by the blind. He stated that he wished to thank all of the people who made purchases and also expressed his appreciation to all of the Lions who turned out for the sale.

Mrs. Clyde Huff, buyer and bookkeeper for Malouf's Department Store, will present the program for the Future Homemakers of America Chapter on Tuesday night, November 14. Mrs. Huff will talk on the "Spring Forecast of Fashions" and also bring some Clothes to be modeled. Some of the Homemaking II and III students will model costumes they have constructed in their classes.

The meeting will be held in the high School Library at 7:30 p.m.

AFTER THE PARTY IS OVER

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

©Coleman Adv. Ser.

Have you ever felt like this little girl after a big, exciting day at the Fair, or a party? You know how you feel — excited, exhausted; but you feel good, too. Sometimes you just want to lie down and think about it. But like the little one in this picture you, also, are too tired to remove your party hat or your shoes.

Sometimes it is delightful just to lie down and think of something good and wonderful and happy. It is good just to *be still* and sort of day-dream about what has happened.

There are other times in our lives when we need to achieve a sense of quietness and think of God. The Psalmist says, "Commune with your own heart upon your bed and be still." Psalm 4:4. God says in Psalms 46:10 "Be still and know that I am God."

We invite you to attend church and sense the still, quiet holiness that is God's presence in the midst of the congregation.

Too Much Speed for Pipers As Bulldogs Win Here, 35-6

While the final score did not indicate it, the Pied Pipers stayed within range of the Stamford Bulldogs for the first three quarters here Friday evening. Several dropped passes spelled the difference as the Bulldogs put the game out of reach in the final period and went on to win, 35-6.

The Pipers pulled within eight points of the Bulldogs in the second period and missed several opportunities to catch up or go ahead in the second and third period. But in the end it was the tremendous speed of the Bulldogs that spelled the difference, both on offense and defense.

With four or five boys with speed equal to or better than Hamlin's Johnny Jones the Bulldogs were able to stop Jones on the outside plays and hold him to only 34 yards in 16 carries.

Quarterback Milton Jones cut up the Stamford secondary with his passing most of the evening but in far too many cases the Hamlin receivers failed to hold on to the ball. Milton ended up the evening with six out of 19 completions for 73 yards and one touchdown.

Fullback Barry McDonald had one of his better evenings for the Pipers with 84 yards in 17 carries.

Stamford put seven points on the scoreboard with their first possession of the night as they drove 60 yards in eight plays with Halfback Rick Medford scoring over his left tackle from the two. Alan Plumlee kicked the first of his five extra points for the evening.

The Pipers moved from their own 27 to the Bulldogs 36 following the kickoff only to have to give up the ball on downs. A tough defensive effort

Sweetwater Downs Seventh Grade, Ties Eighth, 6-6

The Hamlin Junior High football teams closed out their season Tuesday night with two games with Sweetwater. The seventh grade lost 18-14, and the eighth grade played to a 6-6 tie.

The seventh grade ended the season with a 2-5 season and the eighth grade with a 7-1-1 record.

The seventh grade moved out in front of Sweetwater 14-0, but saw this lead fall away as Sweetwater put three touchdowns on the scoreboard. Delbert Thompson scored the 14 points for Hamlin with touchdown runs of 40 and 10 yards and a two point conversion.

In the eighth grade game, neither team could get across the goal line until the last seconds of the first half when Sweetwater scored. Hamlin tied up the game early in the third period when Russell May raced 42 yards for a score. The two-point try failed and neither team could cross the goal line again. Hamlin moved within scoring range several times but failed to get in for the score.

Junior High Sets First Basketball Game Monday

The Hamlin Junior High School basketball season will get underway here Monday evening, according to Marvin Carlton, principal. The seventh and eighth grade boys and the eighth grade girls will host Merkel here in the opener.

The eighth grade boys and girls will play in three tournaments during the season. The first will be a local tourney, Dec. 9, 10, and 11, the second will be the Anson Junior High Tourney Jan. 3 and 8, and the final tourney will be at Aspermont Jan. 17, 20 and 22.

The three teams will play Merkel in a return match at Merkel Nov. 18 and then will start district play Dec. 2. The district schedule will be as follows:

Dec. 2 — at Haskell.
Dec. 6 — Albany here.
Dec. 13 — at Lueders.
Dec. 16 — at Rotan.
Dec. 20 — Anson here.
Jan. 10 — Stamford here.
Jan. 24 — Haskell here.
Jan. 31 — at Albany.
Feb. 7 — Lueders here.
Feb. 14 — Anson here.
Feb. 17 — Rotan here.
Feb. 21 — at Stamford.

by the Pipers forced the first of three fumbles by the Bulldogs with Rick Rodgers recovering on the Stamford 32.

A 15-yard penalty against the Pipers was more than they could overcome and they gave the ball back to the Bulldogs on their 29. Two plays later Stamford fumbled again with the Pipers taking over this time on the Stamford 39 only to fumble the ball back to the Bulldogs on the Stamford 39.

Taking over from that point the Bulldogs moved down the field with a 61-yard drive that took only six plays. A 24-yard pass from Randy Leavitt to Fred Washington was good for the score.

Hamlin drove from their own 22 to the Stamford 32 following the kickoff only to be thrown back to the 39 when Milton was dropped trying to pass. Rodgers punted to the Stamford 10 on the first Bulldog play Mike Donham recovered a fumble at the 10.

It took the Pipers four plays to make it into the endzone with Milton passing to David Willis for the final four yards and the score. Milton tried to run in the two points but was stopped just short of the goal line.

Stamford put seven more points on the scoreboard following a Hamlin fumble on a pitch out that gave the Bulldogs the ball at the Hamlin 28. Robert Stevenson, the night's leading ground gainer with 110 yards in 11 carries, was knocked out of bounds at the one by Johnny on the first play and then Fullback Bingo Bolin scored on the next play.

Neither team threatened on their next possessions as the half ended.

Following the second half kickoff the two teams exchanged punts and then exchanged pass interceptions with Hamlin ending up with the ball on the Stamford 42 on an interception by Johnny.

Good runs by McDonald and Johnny got the Pipers down to the Stamford four yard line but on fourth down Milton was dropped for a nine-yard loss back to the 13 as he tried to pass into the endzone.

The next time the Pipers had the ball they moved out to midfield only to have another pass intercepted with Stamford returning it to the Hamlin 35. It took them six plays to get on the scoreboard again with Leavitt going around his right end for three yards and the score.

Picking up two first downs following the kickoff, the Pipers were forced to punt from midfield with Stamford taking over at their 13. Nine plays later Wayne Marsh scored the final touchdown for the Bulldogs on a two-yard run around his right end.

The game ended as Leavitt intercepted a Steve Mackey pass and ran the clock out.

NATIONAL CHILDREN'S BOOK WEEK

Nov. 14-20

Enjoy books and help others in your home, community, or around the world to enjoy them.

Read aloud to your own children. It will bring your family closer together and enrich your children's lives. And it will be fun!

Parents should set aside time to take their children to the library. If they do not already have library cards of their own, help them to get and use them.

If possible, give your children books — and shelves on which to put them. Teach your children the value of good books that they will read and reread.

Help your children take an inventory of the books in their own home libraries. Alphabetize books by author or title or classify them by type (adventure, biography, fiction, science, etc.). Take the time to look through their books and enjoy them together.

Make sure that the Scouts and other youth groups are aware of Book Week and that there will be special activities connected with reading at which they are welcome. Remind other adults about Book Week. This can be done by notifying civic, educational, and religious groups in the community.

Share books with others, not only through local charitable organizations, but through international agencies that distribute books to underdeveloped countries.

Neinda Philosopher Has Hard Time Believing Some Things He's Reading

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One must have been clearing off his desk, his letter this week indicates.

Dear editor:

The trouble with reading newspapers is that every once in a while when you're not thinking much about anything something you read a few days before pops into your mind and makes you wonder if you read it right.

For example, I remember reading the other day that a movie actress announced she is now a vegetarian, won't eat any

meat. "I want to be able to look a cow in the eye from now on," she said.

It just occurred to me, I hope she wasn't looking down at her feet when she said this, if she was wearing leather shoes.

A public opinion survey has revealed that the voting records of 10 Congressional leaders of both parties have not reflected their home folks' views on some of the major issues of the day. The voters sided one way, the leaders the other.

No wonder. Congressmen can't hear from the forks of the creek any more. The Army Engineers have covered it up with a dam.

It wasn't disturbed when Red China got a seat in the U. N. It's sort of like getting a seat in the stadium on Sunday when the game was played on Saturday. By the way, how much of the cost of operating the U. N. is China going to pay? Looks like nobody thought to ask the question.

Scientists are working on a satellite that'll circle the earth taking photographs that'll tell a farmer when he needs a rain. The more I think about this the less I know where I am.

When a New York Times reporter visited Chou En-Lai in China, the two ate a meal lasting two and a half hours with a menu including three soup courses, duck, chicken, fish, pork, shrimp, and quail's eggs stuffed with caviar. And moreover, when the Shah of Iran threw his silk tent party out in the desert for notables from all over the world, the main dish was "roast peacock served in its own brilliant plumage."

Stuffed quail's eggs on a Communist's table? Roast peacock with its feathers still on for royalty?

Pass me some of that cornbread.

Yours faithfully,
J. A.

Sylvester

By MRS. R. M. BABB

Winter is here and there isn't any mistake about it. These mornings are very chilly.

Mrs. Maude Harris accompanied Mrs. Curtis Stevenson of Anson to Brownwood last week and spent a few days with her granddaughter, Mrs. Ritzie Harris.

Our town is losing some of our citizens very fast. Our sympathy to the family of Mrs. M. D. Douglass who passed away last week and then on this past Sunday morning Floyd McCain died. Both had lived in Sylvester most of their lives and shall be missed.

Mr. and Mrs. Jim Lanning drove to Arkansas last week and visited his uncle, who is

about 92 years young. L. T. Watson has entered Scott and White in Temple for a check up.

Mrs. Clara Hitt and her daughter, Florence Clark of Abilene visited friends here one afternoon last week.

President of the Sylvester Cemetery asks each and every one to please pick up the wire that is on the flowers in the cemetery as they wreck the lawn mower when they get caught in it.

Thurman Douglass spent some time recently in Hamlin hospital.

Mr. and Mrs. Gordon Davis drove to Buchanan Dam and fished some last week.

Mr. and Mrs. Mutt Early spent Sunday in Snyder with their sons and families.

Miss Alice Cross is home after surgery in Temple and is fine. Use what language you will, you can never say anything but what you are.

Mrs. W. B. Brown attended the Postal meeting in Abilene Sunday night.

Mrs. Carpenter Returns Home

Mrs. Fred Carpenter returned home Monday evening from Scott and White Clinic in Temple after an 11-day stay.

Mrs. Carpenter had a heart pacemaker surgically implanted Wednesday of last week. A temporary pacemaker was put into operation on the previous Saturday in preparation for the surgery.

Visiting with Mr. and Mrs. Carpenter is their son, Tommie, who is on leave of absence from Teledyne Exploration Co. For the past 18 months he has been working in Algiers, N. Algeria.

Mr. and Mrs. Bobby Joe Robertson are parents of a girl, Rudy Marie, 7 lbs. 7½ oz., born Nov. 7 at 12:55 p.m.

Mr. and Mrs. Frank B. Garcia of Jayton are parents of a girl, Christina Rebecca, 8 lbs. 5¼ oz., born Nov. 8 at 8:37 a.m.

Larger Supply of Credit To Be Available to Farmers

TEMPLE, — Texas farmers will be able to tap the largest supply of supplemental credit in history this year through the Farmers Home Administration, State Director Lynn Futch announced today.

"We project that more than \$81 million will be available to Texas farmers in fiscal year '72, as a result of cooperative efforts between the Farmers Home Administration and commercial lenders," he stated.

The cooperative effort involves having the commercial credit source and Farmers Home Administration make simultaneous loans to a borrower, with the private lender having first claim on the security.

The farm ownership program is aimed to reach \$30 million — \$15 million of government money, with private lenders participating at a level of \$15 million," Mr. Futch continued.

"Projected figures for the farm operating loan program is \$51 million of which \$22½ million — triple last year's figure — comes from regular commercial lenders."

Lending levels of FHA farm programs are also higher because of a substantial boost given the farm ownership program by President Nixon when he announced that, national funding would be \$354 million this fiscal year, \$82 million above 1971 levels, Mr. Futch said.

The President also said the nationwide farm operating loan program would be raised to \$350 million from its present \$275 million level if the Congress would approve legislation changing the program from an appropriation basis to an insured basis.

If this legislation is passed, Mr. Futch said, notes of farm borrowers for operating pur-

And What Have You

By BOB CRAIG

I believe that just about everyone that saw the Pipers play Stamford Friday night was very proud of those youngsters. If you did not see the game you may wonder how you can be proud of a team that got beat 35-6, but those that saw it know that it was a much better game than the score indicated.

It was not until the final period that the Stamford fans could relax because the Pipers were still in the contest until then. I don't think there was any question but that the youngsters played their finest game of the season, it was just unfortunate that they were playing one of the better teams on their schedule.

Stamford fielded a team with 11 seniors and 12 juniors on it as compared to Hamlin's seven seniors and six juniors and had four or five of the fastest boys in the district playing for them.

I cannot help but feel a great deal of pride in these youngsters of ours. Sure they are still looking for their first win and are looking at a very long losing streak but you have to admire their courage and pride. I don't know how many of us adults could face all of those losses and still come back up and play this way.

I was also very proud of our fans who have done a fine job of backing these youngsters all year long.

Let's all go to Merkel Saturday evening and help the Pipers spoil Merkel's homecoming.

The biggest problem in our system of government seems to be waste. Every time the government sets out to solve a problem it seems to spend more money setting up the machinery than it does attacking the problem. Everyone seems to recognize this problem but nobody seems to be able to find the answer.

An example of this is our welfare mess.

Abraham Ribicoff, former Health, Education and Welfare Secretary and now Senator, has used an interesting analogy to emphasize this waste.

He observes that some \$31 billion will be spent this year, at all levels of government, on poverty programs. "And yet," he adds, "it is questionable whether any of those programs have removed a single person from poverty."

"It might be intriguing for senators to contemplate that, if we eliminated all these programs and bureaucracies, and divided that \$31 billion among the people who are under the poverty line, every family of four would receive a total of \$4,800, almost \$1,000 over the poverty line."

But what really bothers you is that everyone recognizes this problem in all areas of our government but yet no one seems to be able to turn it around. Instead of getting better it just seems to get worse.

One can only wonder if our system of government can continue to work now that politicians have learned that they can buy votes with tax monies. It appears questionable if we as a nation have the moral fibre to make self government work.

I have always maintained that the single most damaging act of Congress that will ultimately lead this nation to ruin was the passing of the act that makes it possible for the government to collect income taxes from the individual by the withholding tax methods.

If every tax payer had to dig up this money in April every year I doubt very seriously if he would permit his representatives to spend it so freely. It might be that we would not have progressed as far as we have without the withholding tax but I'll bet one thing for sure — we would be a lot more concerned about how this money was spent if we had to take it out of savings or go to the bank and borrow it.

MISS BISHOP BAND SWEETHEART — Jimmie Lou Bishop, second from left, was crowned band sweetheart during half time ceremonies of the Stamford-Hamlin football game. She is the daughter of Mrs. Ben Turner. Other nominees are from left, Terrie Gregory, Mary Dell Jenkins and Jeanie Ferguson.

Jones County Cotton Men Organize to Fight Weevils

By STEVE MUNDAY
Reporter-News Farm Editor

ANSON — Jones County cotton producers and gin managers took steps Tuesday afternoon to protect themselves from future financial disasters brought on by the boll weevil.

The group of about 40 farmers and gin managers, who organized themselves as the Jones County Boll Weevil Diapause Control Assn. in their first meeting Nov. 2, requested charter from the state.

The authorization is expected from Austin in a few days, Assistant Secretary-Treasurer Herman Reeves of Anson said.

Jones County cotton producers, as a whole, have been hard-hit by an almost unprecedented level of boll weevil infestations brought on by the recent heavy rainfall, said County Agent Kirby Clayton. Cotton estimates for the county's crop have been drastically cut back in the wake of the county-wide destruction.

Facing projections of an almost non-existent cotton crop, the producers and gin managers were understandably ready to "get down to brass tacks" Tuesday.

Reeves said, "The general feeling among us is that if we are going to produce cotton economically in Jones County, we must take effective boll weevil measures."

As an organized body, they hope to accomplish through unity what the individual could

not afford or attempt in the fight against the cotton insect.

The first major step toward that end was the group's approval of an aerial spraying program in cooperation with the entomologists of the Texas Department of Agriculture and the Extension service.

The first phase of the spraying will begin in September, 1972, and will be on a contract basis, Reeves said.

Reeves also noted that the state has a matching fund participation program for counties with a "high crop mortality" and that the Jones County farmers hope that the state will appropriate funds to them during the next called session.

"The only way we can get it (funds) is through an organization such as ours," Reeves said.

In other organizational business, the members voted to assess an initial membership fee of \$10 annually. A membership drive is now under way and should be completed at the end of this ginning season. Gin managers were named receiving agents for the dues.

Fifteen gin managers and their two nominees from their communities were approved as permanent members of the association's board of directors.

Additionally, the gin managers will serve on the executive committee with the

three elected officials for one year.

The three elected officers of the Jones Co. organization are Stuart Propst of Anson, president; Bill De Busk of Tuxedo, vice president, and Reeves.

Propst appointed a by-laws committee to work on the charter when it arrives from Austin. Committeemen are G. W. Drummond and H. L. Ford, both of Hamlin, Charles Stenholm and Carl Bearden, both of Stamford; F. A. Lollar and Larry Holms, both of Anson.

Another county-wide meeting will be announced at a later date, Propst said.

Stamford to Host Area Cotton Farmers Tuesday

There will be a meeting of interest to all area cotton farmers in Stamford, Texas, Tuesday night, November 16, 1971, at the High School Auditorium, beginning at 7:00 P. M.

The meeting is being sponsored by the Stamford Area Agricultural Association. It's purpose, according to Charles Stenholm, Chairman, will be to discuss cotton marketing in 1971, the new law concerning trailer lighting and braking requirements, and the boll weevil Diapause Control Program.

Funeral Services Held Friday for Cecil W. King

Funeral services for Cecil W. King of Laredo were held here Friday at 10:30 a.m. at First United Methodist Church.

Mr. King, a native of Hamlin, died at 10:45 p.m. Nov. 2 at Mercy Hospital in Laredo. He was a retired civil service employee and farmer. He had lived in Laredo since 1935.

Born here Dec. 6, 1902, he was the son of the late Mr. and Mrs. James S. King.

He married Woodley Smith at Laredo July 3, 1924.

He was a member of the Methodist Church.

Survivors include his wife of Laredo; two nephews, Col. Lawrence King Jr. of Albuquerque, N. M., John J. King of Glendora, Calif., and one granddaughter, Elizabeth Ann King of Laredo.

Services were conducted by Rev. Johnnie Williams, pastor. Burial was in Neinda Cemetery.

Pallbearers were Bryant Conner, J. C. Turner, W. T. Johnson, Arnold Johnson, Rudy Hamric and Ray Huling.

Pipers to End Season Saturday At Merkel

Seven Hamlin Seniors will be playing their final game for the Pied Pipers Saturday evening when the Pipers take on the Merkel Badgers in Badger Stadium. The game will be homecoming for the Merkel Exes.

Playing their last football game for the green and white will be Steve Baker, 130-pound halfback; Barry McDonald, 190-pound fullback; Dwayne Hertel, 158-pound center; Fernando Rangel, 165-pound guard; Mike Donham, 177-pound tackle; Rick Rodgers, 151-pound end; and James Mayes 160-pound end.

Last week while Hamlin was being defeated by Stamford, 35-6, the Badgers were being defeated, 38-3, by Anson. In

other 7-AA action Haskell defeated Rotan, 39-0.

Junior Varsity To End Season At Anson Tonight

The Hamlin Junior Varsity will be trying to maintain a perfect record when they travel to Anson tonight (Thursday) to meet the Anson JV's. Last Thursday the local JV's defeated the Stamford JV's 32-6.

A halfback pass from Willie Hooper to split end Bill Cork was good for 53 yards and the first Hamlin score. A pass from Hooper to End Gary Hertel added the two points. In the second period Hooper scored from 22 yards out and Alfred McAfee added six more points before the half ended on an eight-yard carry.

Bill Cork scored twice in the second half with the first coming on an eight-yard run and the second coming on a pass interception from 30 yards out.

Stamford picked up their lone score in the final period to make the final score 32-6.

This Friday evening the Haskell Indians and the Stamford Bulldogs will be meeting in Stamford to decide the district title and Anson will play at Rotan.

The Merkel Badgers will be operating from the Wishbone formation with their best running back playing fullback. Running at this position will be Kerry Thames, a 195-pounder, who is a big strong runner. He missed most of the Anson game but is expected to play this week.

Steve Teaff, 170-pounder, will be at quarterback and does a good job on the option pitch but is rated a weak passer. The two halfbacks will be Jerry Holmes, 160 pounds, and Billy Diltz, 165 pounds.

At tight end will be Jerry Beaird, 165 pounds; at split end with be Larry Hewitt, 170 pounds; at tackles will be David Bratcher, 185 pounds and Ray Young, 180 pounds; at guards will be Greg Bullock, 185 pounds, and Danny Higgins, 180 pounds; and at center will be Gerry Williams, 165 pounds.

'Uncle Sam' Urges Youth To Thank Those Who Serve

"Uncle Sam" visited the three Hamlin Schools Wednesday and Thursday of last week and was featured in assembly programs in high school Thursday morning and in junior high Thursday afternoon.

"Uncle Sam," dressed in brilliant red, white and blue, was sponsored by the Stamford Rural Electric Coop. This important character, played by Lois Dunlap of Abilene, presented a talk on "I am Uncle Sam."

Until several months ago, he appeared in public in his spare time promoting patriotism. When requests increased he left his position with First State Bank of Abilene and devoted his time fully to the program he calls "Uncle Sam in Action."

Headquarters are in Abilene.

During his message at junior high he told of an experience when a sergeant who had served in Korea and Viet Nam visited in his office. At the conclusion of the visit, he said, he told the sergeant that he appreciated all the things he

had done for our country and for me as a whole. The sergeant replied that I was the very first person to thank him for fighting in both wars. "We fail to thank those who have given so much for us," he added.

He cited that those in the audience should appreciate what the teachers, the service men, school board members, city council members, mayor, and all elected officials are doing for them by serving the community and the nation. He also urged communicating with these officials to let them know the wishes of the majority.

In speaking of the Viet Nam war he said, "It is my opinion we went to Viet Nam to help a people who could not help themselves, to fulfill a commitment with that country and to protect them from the acts of aggression." There have been many things in Viet Nam which have occurred with which I disagree; however, one thing with which I do agree is our system of government. It is second to none."

UNCLE SAM SPEAKS HERE — Uncle Sam, right, is pictured at the junior high school assembly with Tracy Asher, seventh grader who led the pledge of allegiance to the flag during opening moments of the program Thursday afternoon.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(November 9, 1928)

NEINDA NEWS

Everyone from this place has been enjoying this cool damp weather we have been having. But they welcome the sunshine again as every one is anxious to get their cotton out.

A large crowd attended church and Sunday School Sunday. There was also a large crowd attended the program which McCaulley brought to the Methodist Church Sunday night.

Well, well, school has at last started for which we are very proud.

All but two are new teachers.

Remember folks there will be singing at the school building Sunday night. Everyone is invited to come and bring somebody with you.

A contest was sponsored by the Junior Class to see who would be elected queen of the carnival on Nov. 2. Miss Ruth Wilson was selected for the Senior Class Candidate. The Senior Class put this over big, as usual by electing Ruth by a large majority more than doubling her nearest opponent.

Tuesday night members of the Christian Church surprised their pastor, Rev. Montgomery by storming his home with all kinds of "pounds" eatables of every description. This was a real welcome for the new pastor and his children.

The Pupils of the Win One Class of the Methodist Sunday School met Saturday afternoon at three o'clock with their teacher, Mrs. Mayes at her home for study meeting, after which a number of games and contests were enjoyed by everyone. Everyone reported a splendid time.

TWENTY YEARS AGO
(November 9, 1951)

The Jacksonville Baptist College choir will render a musical program this (Friday) evening at 7:30 o'clock at Calvary Baptist Church.

The public is invited to attend and hear the program, according to members of the congregation.

The Hamlin Volunteer Fire Department was called Thursday afternoon to put out a grass fire in the north portion of the city near the water tower. No material damage was done.

Hamlin area folks with relatives and friends in service overseas are urged by Postmaster Perry Sparks to doing their Christmas mailing soon.

Sparks explains that the post office department will make every effort to have the packages delivered by Christmas day.

Most of Hamlin's business establishments will be closed for Armistice observance next Monday. This decision is a reversal of the general trend that was expressed last week in a quick check of representative firms by The Herald.

First meeting of the Jones County Teachers Association for the current school year will be held next Tuesday evening at 7:30 o'clock in the Hamlin High School cafeteria.

Date for the initial general gathering of Jones County teachers was set when members of the executive board of the association met recently in the grade school building in Anson.

Members of the Service Sunday School Class of the First Baptist Church were entertained in their regular monthly meeting Tuesday evening.

The program was on a radio program theme with Marguerite Richardson as announcer. Mrs. Earl Brown gave a talk on "Customs of Thanksgiving" and Mrs. Bob Nunley said "The Lord's Prayer." Mrs. Marvin Carlton was accompanist.

Topics for state programs for the club were reviewed by Mrs. Simmons and voted on by the club.

TEN YEARS AGO
(November 9, 1961)

The town as a whole will not observe November 11, Armistice Day, as a holiday. Most merchants will be open for a regular Saturday's business.

However the post office, bank and City offices will be closed. Also, the barber shops and the dry cleaners. Possible some others will close, but for the most part business will go on as usual.

Final plans have been made for the Annual Stonewall County Awards Banquet, November 13th in the Aspermont School Cafeteria, starting at 7:00 p.m.

Ninty-one County winners and parents are invited to this Banquet; along with some special guests.

Sharon Leverett of Old Glory has been chosen to be the Mistress of Ceremonies this year.

The Banquet is sponsored by the First National Bank, Ralph Riddel in charge.

The Hamlin Lions Club Annual Broom Sale was a big success again this year according to Ed Croan, president.

He reported the Lions sold \$937.35 worth of brooms and other goods made by the blind. He stated that he wished to thank all of the people who made purchases and also expressed his appreciation to all of the Lions who turned out for the sale.

Mrs. Clyde Huff, buyer and bookkeeper for Malouf's Department Store, will present the program for the Future Homemakers of America Chapter on Tuesday night, November 14. Mrs. Huff will talk on the "Spring Forecast of Fashions" and also bring some Clothes to be modeled. Some of the Homemaking II and III students will model costumes they have constructed in their classes.

The meeting will be held in the high School Library at 7:30 p.m.

AFTER THE PARTY IS OVER

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

©Coleman Adv. Ser.,

Have you ever felt like this little girl after a big, exciting day at the Fair, or a party? You know how you feel — excited, exhausted; but you feel good, too. Sometimes you just want to lie down and think about it. But like the little one in this picture you, also, are too tired to remove your party hat or your shoes.

Sometimes it is delightful just to lie down and think of something good and wonderful and happy. It is good just to *be still* and sort of day-dream about what has happened.

There are other times in our lives when we need to achieve a sense of quietness and think of God. The Psalmist says, "*Commune with your own heart upon your bed and be still.*" Psalm 4:4. God says in Psalms 46:10 "*Be still and know that I am God.*"

We invite you to attend church and sense the still, quiet holiness that is God's presence in the midst of the congregation.

Too Much Speed for Pipers As Bulldogs Win Here, 35-6

While the final score did not indicate it, the Pied Pipers stayed within range of the Stamford Bulldogs for the first three quarters here Friday evening. Several dropped passes spelled the difference as the Bulldogs put the game out of reach in the final period and went on to win, 35-6.

The Pipers pulled within eight points of the Bulldogs in the second period and missed several opportunities to catch up or go ahead in the second and third period. But in the end it was the tremendous speed of the Bulldogs that spelled the difference, both on offense and defense.

With four or five boys with speed equal to or better than Hamlin's Johnny Jones the Bulldogs were able to stop Jones on the outside plays and hold him to only 34 yards in 16 carries.

Quarterback Milton Jones cut up the Stamford secondary with his passing most of the evening but in far too many cases the Hamlin receivers failed to hold on to the ball. Milton ended up the evening with six out of 19 completions for 73 yards and one touchdown.

Fullback Barry McDonald had one of his better evenings for the Pipers with 84 yards in 17 carries.

Stamford put seven points on the scoreboard with their first possession of the night as they drove 60 yards in eight plays with Halfback Rick Medford scoring over his left tackle from the two. Alan Plumlee kicked the first of his five extra points for the evening.

The Pipers moved from their own 27 to the Bulldogs 36 following the kickoff only to have to give up the ball on downs. A tough defensive effort

by the Pipers forced the first of three fumbles by the Bulldogs with Rick Rodgers recovering on the Stamford 32.

A 15-yard penalty against the Pipers was more than they could overcome and they gave the ball back to the Bulldogs on their 29. Two plays later Stamford fumbled again with the Pipers taking over this time on the Stamford 39 only to fumble the ball back to the Bulldogs on the Stamford 39.

Taking over from that point the Bulldogs moved down the field with a 61-yard drive that took only six plays. A 24-yard pass from Randy Leavitt to Fred Washington was good for the score.

Hamlin drove from their own 22 to the Stamford 32 following the kickoff only to be thrown back to the 39 when Milton was dropped trying to pass. Rodgers punted to the Stamford 10 on the first Bulldog play Mike Donham recovered a fumble at the 10.

It took the Pipers four plays to make it into the endzone with Milton passing to David Willis for the final four yards and the score. Milton tried to run in the two points but was stopped just short of the goal line.

Stamford put seven more points on the scoreboard following a Hamlin fumble on a pitch out that gave the Bulldogs the ball at the Hamlin 28. Robert Stevenson, the night's leading ground gainer with 110 yards in 11 carries, was knocked out of bounds at the one by Johnny on the first play and then Fullback Bingo Bolin scored on the next play.

Neither team threatened on their next possessions as the half ended.

Following the second half kickoff the two teams exchanged punts and then exchanged pass interceptions with Hamlin ending up with the ball on the Stamford 42 on an interception by Johnny.

Good runs by McDonald and Johnny got the Pipers down to the Stamford four yard line but on fourth down Milton was dropped for a nine-yard loss back to the 13 as he tried to pass into the endzone.

The next time the Pipers had the ball they moved out to midfield only to have another pass intercepted with Stamford returning it to the Hamlin 35. It took them six plays to get on the scoreboard again with Leavitt going around his right end for three yards and the score.

Picking up two first downs following the kickoff, the Pipers were forced to punt from midfield with Stamford taking over at their 13. Nine plays later Wayne Marsh scored the final touchdown for the Bulldogs on a two-yard run around his right end.

The game ended as Leavitt intercepted a Steve Mackey pass and ran the clock out.

Sweetwater Downs Seventh Grade, Ties Eighth, 6-6

The Hamlin Junior High football teams closed out their season Tuesday night with two games with Sweetwater. The seventh grade lost 18-14, and the eighth grade played to a 6-6 tie.

The seventh grade ended the season with a 2-5 season and the eighth grade with a 7-1-1 record.

The seventh grade moved out in front of Sweetwater 14-0, but saw this lead fall away as Sweetwater put three touchdowns on the scoreboard. Delbert Thompson scored the 14 points for Hamlin with touchdown runs of 40 and 10 yards and a two point conversion.

In the eighth grade game, neither team could get across the goal line until the last seconds of the first half when Sweetwater scored. Hamlin tied up the game early in the third period when Russell May raced 42 yards for a score. The two-point try failed and neither team could cross the goal line again. Hamlin moved within scoring range several times but failed to get in for the score.

Junior High Sets First Basketball Game Monday

The Hamlin Junior High School basketball season will get underway here Monday evening, according to Marvin Carlton, principal. The seventh and eighth grade boys and the eighth grade girls will host Merkel here in the opener.

The eighth grade boys and girls will play in three tournaments during the season. The first will be a local tourney, Dec. 9, 10, and 11, the second will be the Anson Junior High Tourney Jan. 3 and 8, and the final tourney will be at Aspermont Jan. 17, 20 and 22.

The three teams will play Merkel in a return match at Merkel Nov. 18 and then will start district play Dec. 2. The district schedule will be as follows:

Dec. 2 — at Haskell.
Dec. 6 — Albany here.
Dec. 13 — at Lueders.
Dec. 16 — at Rotan.
Dec. 20 — Anson here.
Jan. 10 — Stamford here.
Jan. 24 — Haskell here.
Jan. 31 — at Albany.
Feb. 7 — Lueders here.
Feb. 14 — Anson here.
Feb. 17 — Rotan here.
Feb. 21 — at Stamford.

by Shelley Holtz

Jimmie Lou Bishop was elected band sweetheart Friday night at the Stamford-Hamlin game. Other nominees were Mary Dell Jenkins, Terrie Gregory and Jeanie Ferguson.

The Pied Pipers played a hard fought game against the Stamford Bulldogs.

This Saturday Hamlin travels Saturday to Merkel for their last game of the season and Merkel's Homecoming. The Pipers need the kind of support they got at Hamlin last Friday night to beat those Badgers, so let's all go and BACK OUR TEAM.....

hhs
The B team won their game Thursday at Stamford. They have really been doing a good job this year, not losing a game all season. Their last game is at Anson tonight, so everybody come out and back our B team!

hhs
Six weeks test are this week and everybody seems to be wondering how the second six weeks could have come up so fast. I'm sure that the teachers are ready with their tests though.

hhs
The seniors had their pictures taken last week. I guess everybody will be glad to get theirs back so they can switch

with all the underclassmen.

NATIONAL CHILDREN'S BOOK WEEK Nov. 14-20

Enjoy books and help others in your home, community, or around the world to enjoy them.

Read aloud to your own children. It will bring your family closer together and enrich your children's lives. And it will be fun!

Parents should set aside time to take their children to the library. If they do not already have library cards of their own, help them to get and use them.

If possible, give your children books — and shelves on which to put them. Teach your children the value of good books that they will read and reread.

Help your children take an inventory of the books in their own home libraries. Alphabetize books by author or title or classify them by type (adventure, biography, fiction, science, etc.). Take the time to look through their books and enjoy them together.

Make sure that the Scouts and other youth groups are aware of Book Week and that there will be special activities connected with reading at which they are welcome. Remind other adults about Book Week. This can be done by notifying civic, educational, and religious groups in the community.

Share books with others, not only through local charitable organizations, but through international agencies that distribute books to underdeveloped countries.

Card of Thanks

CARD OF THANKS
We wish to express our sincere appreciation to the United Pentecostal Church, friends and neighbors and the Ministerial Alliance for the words of comfort and the beautiful floral tributes in our time of sorrow in the passing of our beloved husband and Daddy, the Reverend W. A. Hodge. May the Lord bless each of you. We especially thank all the churches who remembered us with special prayers.
Mrs. W. A. Hodge
W. A. Hodge Jr. and family

CARD OF THANKS
We want to thank everyone for being so nice to Raymond during his stay in the hospital during and after his surgery. We especially thank Dr.

Smith, the other doctors, and all the nurses who were so helpful and patient. Also everyone who visited, sent gifts, cards and flowers. Everything was deeply appreciated.
Raymond Nichols and family

CARD OF THANKS
Our hearts are filled with humility and appreciation for our many good friends whose comfort during our recent sadness meant so much to us. We thank each of you from the bottom of our hearts. We also wish to thank Mrs. Rowland for playing the organ.

Neinda Philosopher Has Hard Time Believing Some Things He's Reading

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One must have been clearing off his desk, his letter this week indicates.

Dear editor:

The trouble with reading newspapers is that every once in a while when you're not thinking much about anything something you read a few days before pops into your mind and makes you wonder if you read it right.

For example, I remember reading the other day that a movie actress announced she is now a vegetarian, won't eat any

meat. "I want to be able to look a cow in the eye from now on," she said.

It just occurred to me, I hope she wasn't looking down at her feet when she said this, if she was wearing leather shoes.

A public opinion survey has revealed that the voting records of 10 Congressional leaders of both parties have not reflected their home folks' views on some of the major issues of the day. The voters sided one way, the leaders the other.

No wonder. Congressmen can't hear from the forks of the creek any more. The Army Engineers have covered it up with a dam.

It wasn't disturbed when Red China got a seat in the U. N. It's sort of like getting a seat in the stadium on Sunday when the game was played on Saturday. By the way, how much of the cost of operating the U. N. is China going to pay? Looks like nobody thought to ask the question.

Scientists are working on a satellite that'll circle the earth taking photographs that'll tell a farmer when he needs a rain. The more I think about this the less I know where I am.

When a New York Times reporter visited Chou En-Lai in China, the two ate a meal lasting two and a half hours with a menu including three soup courses, duck, chicken, fish, pork, shrimp, and quail's eggs stuffed with caviar. And moreover, when the Shah of Iran threw his silk tent party out in the desert for notables from all over the world, the main dish was "roast peacock served in its own brilliant plumage."

Stuffed quail's eggs on a Communist's table? Roast peacock with its feathers still on for royalty?

Pass me some of that corn bread.

Yours faithfully,
J. A.

NEWS FROM . . .

Sylvester

By MRS. R. M. BABB

Winter is here and there isn't any mistake about it. These mornings are very chilly.

Mrs. Maude Harris accompanied Mrs. Curtis Stevenson of Anson to Brownwood last week and spent a few days with her granddaughter, Mrs. Ritzie Harris.

Our town is losing some of our citizens very fast. Our sympathy to the family of Mrs. M. D. Douglass who passed away last week and then on this past Sunday morning Floyd McCain died. Both had lived in Sylvester most of their lives and shall be missed.

Mr. and Mrs. Jim Lanning drove to Arkansas last week and visited his uncle, who is

about 92 years young.

L. T. Watson has entered Scott and White in Temple for a check up.

Mrs. Clara Hitt and her daughter, Florence Clark of Abilene visited friends here one afternoon last week.

President of the Sylvester Cemetery asks each and every one to please pick up the wire that is on the flowers in the cemetery as they wreck the lawn mower when they get caught in it.

Thurman Douglass spent some time recently in Hamlin hospital.

Mr. and Mrs. Gordon Davis drove to Buchanan Dam and fished some last week.

Mr. and Mrs. Mutt Early spent Sunday in Snyder with their sons and families.

Miss Alice Cross is home after surgery in Temple and is fine. Use what language you will, you can never say anything but what you are.

Mrs. W. B. Brown attended the Postal meeting in Abilene Sunday night.

Mrs. Carpenter Returns Home

Mrs. Fred Carpenter returned home Monday evening from Scott and White Clinic in Temple after an 11-day stay.

Mrs. Carpenter had a heart pacemaker surgically implanted Wednesday of last week. A temporary pacemaker was put into operation on the previous Saturday in preparation for the surgery.

Visiting with Mr. and Mrs. Carpenter is their son, Tommie, who is on leave of absence from Teledyne Exploration Co. For the past 18 months he has been working in Algiers, N. Algeria.

Mr. and Mrs. Bobby Joe Robertson are parents of a girl, Rudy Marie, 7 lbs. 7½ oz., born Nov. 7 at 12:55 p.m.

Mr. and Mrs. Frank B. Garcia of Jayton are parents of a girl, Christina Rebecca, 8 lbs. 5¼ oz., born Nov. 8 at 8:37 a.m.

Nancy Wall and Glenn Dowell, seniors were named high school queen and king. Other candidates were Alletta Hawthorne and Jerry Riggs, freshmen; Aida Grerra and Johnnie Perales, sophomores; and Patricia Self and Billy Baker, juniors.

Junior high queen and king were Vikki Brown and Joseph Spalding. Other candidates were Diane Coleman and Ronnie Williams, Jonell Coleman and James Kemp, and Bonnie Pippin and Kenny Smart.

Todd Stevenson and Sonya Whitley were chosen elementary queen and king. Other nominees were Kathy Pippin and James Jeffrey, Margaret Bradford and Darren Jeffrey, Yvonne Sheffield and Alley Riggs, and Donna Whitley and Allen Cook.

Flower girls were Misty Waldon and Tabatha Hines. Crown bearers were Ricky Guerra, Ronnie Jones and Cindy Williams. Ushers were Prescilla Smith and Johnnie Santos. Renia Buck was announcer.

Two H-SU Students Named to National Honor Society

Two juniors from Hamlin were among the 54 Hardin-Simmons University students inducted into Alpha Chi, national honor college scholarship society. The active membership is junior and senior students who rank at least in top tenth of their classes.

From Hamlin were Ketta Casey and Gil Lain. Induction ceremonies were held Nov. 1 at 7:30 p. m.

Mr. and Mrs. Willie J. Hooper Sr. are parents of a girl, Sandra Lanetta, 6 lbs. 11½ oz., born Nov. 7 at 9:25 p.m.

Larger Supply of Credit To Be Available to Farmers

TEMPLE, — Texas farmers will be able to tap the largest supply of supplemental credit in history this year through the Farmers Home Administration, State Director Lynn Futch announced today.

"We project that more than \$81 million will be available to Texas farmers in fiscal year '72, as a result of cooperative efforts between the Farmers Home Administration and commercial lenders," he stated.

The cooperative effort involves having the commercial credit source and Farmers Home Administration make simultaneous loans to a borrower, with the private lender having first claim on the security.

The farm ownership program is aimed to reach \$30 million — \$15 million of government money, with private lenders participating at a level of \$15 million," Mr. Futch continued. "Projected figures for the farm operating loan program is \$51 million of which \$22½ million — triple last year's figure — comes from regular commercial lenders."

Lending levels of FHA farm programs are also higher because of a substantial boost given the farm ownership program by President Nixon when he announced that national funding would be \$350 million this fiscal year, \$82 million above 1971 levels, Mr. Futch said.

The President also said the nationwide farm operating loan program would be raised to \$350 million from its present \$275 million level if the Congress would approve legislation changing the program from an appropriation basis to an insured basis.

If this legislation is passed, Mr. Futch said, notes of farm borrowers for operating pur-

poses would be sold to investors who, in turn, would be insured against loss on the notes. The investors' money would replenish a revolving fund and would be available for more loans, as is the case now with farm ownership loans.

"It will continue to be our policy to assist people in finding the credit needed to begin farming or to help finance farm operations," he said. "We therefore commit government funds only when we cannot involve private money to serve agriculture's credit needs."

"To assure this county supervisors of the Farmers Home Administration are required to contact another lender with respect to every application for farm ownership or operating funds."

"We are pleased with the fine cooperation extended by banks and other credit sources to make this plan work," he concluded.

Elma Ree Mayes Receives UDSP Scholarship Funds

Elma Ree Mayes, a junior accounting major at Abilene Christian College, was one of three Abilene college students to receive scholarship funds.

Miss Mayes, daughter of Mr. and Mrs. James Cornelius Mayes Sr., is a 1969 graduate of Hamlin High School and transferred to ACC from Southwestern Christian College in Terrell.

She is to receive \$1,289.

The three minority students were named winners in the Upper Division Scholarship Program, administered by the College Entrance Examination Board. Funds are provided by the Ford Foundation.

The UDSP is a nationwide attempt to help more black American, Mexican American, Puerto Rican, and American Indian students to continue education at four-year institutions. About \$1 million will be awarded this year to an estimated 1,000 graduates of two-year colleges.

Federal Land Bank Sets Annual Meeting Dec. 8

Announcement of the Annual Stockholders Meeting of the Federal Land Bank Association of Haskell was made today by Joe Harper, Manager of the Association at Haskell.
